We have since been informed that the lighting of the gas in the city is governed by a time-table, which is agreed on between the Gas Com pany and the City Council, and that, though the darkness which reigned supreme in the early evening of the nights in question was unfortunate, it was not the fault of the company, who were "up to time" in their ar rangements for lighting.

TUESDAY AFTERNOON. Civil Branch.—Before Judge Foots.—A verdirt was given, in the case of Eguer ve. Rider et al., for the plaintiff, for the sum of five cents damages. As this is a replevia uit, and the plaintiff has the property aleady in his possession, the amount of damages is immaterial, and the substantial visory is for the plaintiff. The case of Thos. McLean or. John Kennedy, an action for ander, is now on trial. The damages laimed are \$5,000. Backus & Noble appear for the plaintiff; Messrs. Slade & Davidson for the defendant.

CIVIL BRANCH .- BEFORE JUDGE BOLTON. In case of Harsh or. Mayer, went to the jury yesterday, and the jury had not returned its verdict at the time of the adjournment of Court.

Large - We have learned since writing the above, that the jury returned a verdict for the plaintiff for the sum of \$1,000 damages. This verdict is unprecedented in the history of Cuyahoga Common Pleas, it being rare that a verdict for damages is ever obtained in this county on a suit for slandor or mallcious prosecution. Mr. Sweeny and J. C. Grannis prosecuted the case, though Mr. rannis made the only plea for the plaintiff. CRIMINAL BRANCH. - BEFORE JUDGE COF-INBERRY .- The case of the State of Ohio wa. Louis French, who was on trial for murder, went touthe jury about noon, and they returned a verdict of acquittal after having

The gallant and noble General, once comnunder of the Army of the Cumberland, the hero of West Virginia and Stone River, and the still popular and beloved soldier of Ohio, General Rosecrans, arrived in town vesterday afternoon on the Columbus train. His arrival had been anticipated and he was greeted at the depot by a committee of Cleveland gentlemen, consisting of F. A. Warner, Colonel Whittlessy, John W. Allen, J. W. Fitch, R. K. Winslow, T. Hansterling house is even fuller than ever before dy, and Mr. Barnest, the father of Colonel Barnett, who, as chief of artillery, has been so long associated with General Resecrans in the Cumberland Army. The General was escorted, by the Committee to the Angier House,-a carriage splendidly decorated withe the American colors and drawn by four horses similarly caparisoned, having been provided for his uso. The General appears in fine health and spirits,

The news of his arrival spread rapidly mong our citizens, and to gratify the universal desire among them to see him and welcome him to our Forest City, a levee was held last ovening, between the hours of seven and nine, in the parlor of the Angier. It was througed by the best of our citizens, and the scene bright with the smiles of beauty, was indeed animating and brilliant.
General Resecrans will go to Mead-

ville to-day on the excursion train, and, returning with it, will also be present at the ball and supper this ovening. He will spend the next day, Thursday, in our city. He is accompanied by Major L, Homme lieu, of the Cincinnati, Hami'ton and Dayton Read, and by a large party of gentlemen from Cincinnati and Southern Ohio.
